Krishnapatnam Port: A World Record Holder For Coal Discharge

Krishnapatnam Port has set a World record for discharging **106,171** tons of steam coal in just 24 hrs using the conventional unloading system in form of advanced Mobile Harbor cranes.

Vessel **MV. Grand Clipper** carrying 137,495 tons of steam coal berthed at Krishnapatnam Port at 07:20 hrs on July 22, 2011 and the discharging commenced at 10:30 hrs the same day. The record was achieved at 10:30 hrs on 23rd July 2011. Remaining cargo is expected to be discharged by tomorrow early morning.

This feat surpassed Krishnapatnam Port's previous record of discharging 95,528 tons of steam coal in 24 hrs which was also achieved from the same vessel last month on June 17, 2011.

This achievement is the first ever in the history of any port in India & possibly in the world.

M/s ACC Limited, the receivers of the cargo has expressed their joy to be a part of this record and has appreciated the port management, staff, workers and others who helped in achieving this marvelous feat.
